

0170 : Adjustable wrench

Fixed jaw graduated in mm for presetting before use. Triple coating of nickel and chrome provides high corrosion resistance. Very tough. The moving jaw of 6, 8, 10 and 12" long wrenches do not protrude when open, making them suitable for use in confined spaces.

0170 : Extra-wide opening adjustable wrench

ADVANTAGES:

HANDY (1 wrench instead of several, gain of weight and space).

ERGONOMIC (sheathed handle).

ECONOMIC purchase (the extra-wide wrench is cheaper than the total price of several wrenches).

Sheathed extra-wide opening 8" adjustable wrench, ideal for working on copper, brass in plumbing, air conditioning, refrigeration, maintenance, heating.

Thanks to a wide opening jaw and torsion resistance it substitutes for 3 wrenches (8", 10", 12"). Its ergonomic no-slip handle offers a firm grip. Its thin noses and flush move open jaw allow using it in confined spaces.
